COMMISSIONER ROE

MELBOURNE, 23 AUGUST 2016

Application for approval of the John Paul Village and NSWNMA/ANMF Enterprise Agreement 2016-2019.

[1] An application has been made for approval of an enterprise agreement known as the *John Paul Village and NSWNMA/ANMF Enterprise Agreement 2016-2019* (the Agreement). The application was made pursuant to s.185 of the *Fair Work Act 2009* (the Act). It has been made by John Paul Village. The Agreement is a single enterprise agreement.

[2] I am satisfied that each of the requirements of ss.186, 187 and 188 as are relevant to this application for approval have been met. The Agreement does not cover all of the employees of the employer, however, taking into account the factors in Section 186(3) and (3A) I am satisfied that the group of employees was fairly chosen.

[3] The Australian Nursing and Midwifery Federation and New South Wales Nurses and Midwives' Association, being bargaining representatives for the Agreement, have given notice under s.183 of the Act that they want the Agreement to cover them. In accordance with s.201(2) I note that the Agreement covers the organisations.

[4] The Agreement was approved on 23 August 2016 and, in accordance with s.54, will operate from 30 August 2016. The nominal expiry date of the Agreement is 30 June 2019.

- (ii) The ordinary hours of work for shift workers, exclusive of meal times, shall not exceed an average of 38 hours per week in each roster cycle.
- (iii)
 - (a) The hours of work prescribed in subclauses (i) and (ii) of this clause shall, where possible, be arranged in such a manner that in each roster cycle of 28 calendar days each employee shall not work his/her ordinary hours of work on more than 19 days in the cycle.
 - (b) Notwithstanding the provision of paragraph (a) of this subclause, employees may, with the agreement of the employer, work shifts of less than eight hours each over 20 days in each cycle of 28 days.
 - (c) Provided that on the occasion of an employee's written request, and with the consent of the employer, a 9.5-day fortnight may be worked instead of the 19-day month.

NOTE: This subclause is designed to ensure that rosters achieve increased leisure time for nurses, rather than reduced daily hours. This can be achieved by the working of shifts of longer than eight hours per day, with the result that less than 19 days are worked in 28, but without the accrual of an additional day off, as well as by the working of a 19-day month with an accrued additional day off.

- (iv) Each shift shall consist of no more than ten hours on a day shift or 11 hours on a night shift with not less than eight hours break between each shift; provided that an employee shall not work more than seven consecutive shifts unless the employee so requests and the Director of Nursing agrees. Provided also that an employee shall not work more than two quick shifts in any period of seven days, i.e., an evening shift followed by a morning shift, where the break between ordinary shifts is less than ten hours.
- (v) The employer is to decide when employees take their additional days off prescribed in subclause (iii) of this clause (as a consequence of the implementation of the 38-hour week). Where necessary, the employer must consult with the affected employees to ascertain the employees' preferences and must take any such preferences into account when arriving at a decision. Where practicable, additional days off duty shall be consecutive with the rostered days off duty prescribed in subclause (xiv) of this clause.
- (vi) Once set, the additional day off duty may not be changed, except in accordance with

the provisions of Clause 9 Rosters.

- (vii) Where the employer's decision (in accordance with subclause (v) of this clause) is that an employee's additional days off be accumulated, no more than six days may be accumulated in any one year of employment. By mutual agreement this may be extended to no more than 12 days at any one time.
- (viii)
 - (a) Except for breaks for meals, the hours of duty each day shall be continuous.
 - (b) "Broken shift" for the purposes of this subclause means a shift worked by a permanent part-time employee that includes a break (other than a meal break) of not more than four hours and where the span of hours is not more than 12 hours.
 - (c) Notwithstanding paragraph (a) above and subclause (iv) of this clause, the employer may apply to the Association for permission to implement broken shifts.
 - (d) Broken shifts may be worked without the permission of the Association, but only where:
 - (1) it is for a period of one month or less; and
 - (2) it is by reason of an emergency in the roster, e.g., absence of another employee due to sick leave, annual leave on short notice or resignation; and
 - (3) the affected employees agree to work the broken shifts.
- (ix)
 - (a) Each employee shall be allowed a break of not less than 30 minutes and not more than 60 minutes for each meal occurring on duty.
 - (b) Where practicable, employees shall not be required to work more than five hours without a meal break.
- (x) Two separate ten-minute intervals (in addition to meal breaks) shall be allowed each employee on duty during each ordinary shift of 7.6 hours or more; where less than 7.6 ordinary hours are worked, employees shall be allowed one ten-minute interval in each four-hour period. Subject to agreement between the employer and the employee, such intervals may alternatively be taken as one 20-minute interval, or as one ten-minute interval with the employee allowed to proceed off duty ten minutes before the completion of the normal shift finishing time. Such interval(s) shall count as working time.
- (xi) Subclauses (ix) and (x) of this clause shall not apply to an employee who, before going on night duty, is provided with a meal between 9 p.m. and 11 p.m. and who is

allowed two intervals of 20 minutes each during the period of night duty, but such intervals shall count as working time and shall be paid for as such.

- (xii) (a) Except as provided for in paragraph (b) of this subclause, an employee shall not be employed on night duty for a longer period than eight consecutive weeks. After having served a period of night duty, an employee shall not be required to serve a further period on night duty until he or she has been off night duty for a period equivalent to the previous period on night duty.
- (b) The provisions of paragraph (a) shall not apply to an Assistant Director of Nursing, a Nursing Unit Manager or a registered nurse in charge, as the case may be, who is employed permanently in charge at night, nor to an employee who requests to be employed on night duty and the Director of Nursing consents.
- (xiii) An employee changing from night duty to day duty or from day duty to night duty shall be free from duty during the 20 hours immediately preceding the commencement of the changed duty.
- (xiv) (a) Each employee shall be free from duty for not less than two full days in each week or four full days in each fortnight or eight full days in each 28-day cycle and no duties shall be performed by the employee on any of such free days except for overtime. Where practicable, days off shall be consecutive and shall not be preceded by an evening shift or a night shift unless an additional eight hours are granted as sleeping time. An evening shift shall be one which commences at or after 1 p.m. and before 4 p.m.
- (b) An employee, at his or her request, may be given free-from-duty time in one or more periods but no period shall be less than one full day.
- (c) For the purpose of this subclause, "full day" means from midnight to midnight or midday to midday.
- (xv) (a) Employees may be required to remain "on call". Any such time on call shall not be counted as time worked (except insofar as an employee may take up actual duty in response to a call), but shall be paid for in accordance with Clause 12 Special Allowances. Provided, however, that no employee shall be required to remain on call whilst on leave or on the day before entering upon leave.
- (b) No employee shall be required to remain on call while on a rostered day or days off nor on completion of the shift on the day preceding a rostered day off. This provision shall not apply where in special circumstances it is necessary for the employer to place staff on call on rostered days off or on

completion of the shift on the day preceding a rostered day off in order to ensure the provision of services.

- (xvi) The provisions of subclauses (xii) (a) and (b), (xiii) and (xiv)(a) of this clause, shall not apply if the employee is required to perform duty to enable the nursing service of the employer to be carried on or where another employee is absent from duty on account of illness or in an emergency.

- (iii) Notwithstanding the foregoing provisions of this clause, a roster may be altered at any time to enable the nursing service of the facility to be carried on where another employee is absent from duty on account of illness or in an emergency; provided that where any such alteration involves an employee working on a day which would otherwise have been such employee's day off, the day off in lieu thereof shall be as

mutually arranged.

- (iv) Prior to the date of the changed shift, such change of roster shall be notified verbally or in writing to the employee concerned.
- (v) Where an employee is entitled to an additional day off duty in accordance with Clause 6, Hours of Work and Free Time of Employees of this Agreement, such day is to be shown on the roster of hours for that employee.

- (ii) The employer may consent to or refuse the request, but must not unreasonably withhold agreement.

22. Temporary Employees

- (i) A temporary employee is one engaged for a set period not exceeding 13 weeks, provided that fixed term contracts of employment, whether for periods greater or lesser than 13 weeks, must not be offered in preference to ongoing contracts unless they are necessary to meet the genuine operational requirements of the employer, which may include but not be limited to parental leave, limited term funding arrangements, long term leave relief, forthcoming service reductions, and anticipated peak demand times
- (ii) A temporary employee shall be paid, in addition to all rates and allowances to which the employee is entitled under this Agreement, an allowance equal to twenty per cent (20%) of the rates prescribed for his or her classification by Clause 10, Salaries, provided that this subclause shall cease to apply upon:

24. Annual Leave and Public Holidays

24.1 The National Employment Standard (NES) for annual leave is a minimum to which all employees covered by this Agreement are entitled. That minimum entitlement for each year of service is:

- Five weeks for employees defined as shiftworkers; and
- Four weeks for all other employees.

For the purpose of the additional weeks annual leave provided by the NES for shiftworkers, "a shiftworker" is defined as an employee who:

- Is regularly rostered to work over seven days a week; and
- Regularly works on weekends.

This definition is to be used only to calculate the minimum entitlement available to employees. Where "shift worker" is used elsewhere in this Agreement it has the meaning in clause 5.

The provisions of the following clauses provide for annual leave entitlements in terms that are different from those used in the NES. Employees covered by this Agreement are eligible for the relevant NES minimum or the entitlements described below, whichever is the higher.

24.2 Annual leave will accrue progressively during a year of service in accordance with the provisions of the NES.

- (a) Full Time employees required to work on a seven (7) day basis - six (6) weeks annual leave per annum.
- (b) All other employees - four (4) weeks annual leave per annum.

24.3 (a) An employee to whom subclause 24.2 (a) applies and who is required to and does work on a public holiday shall be paid, in addition to the appropriate ordinary weekly rate of pay, at the rate of one half time extra for the time actually worked on such holiday. Such payment shall be in lieu of any additional rate for shift work or weekend work which would otherwise be payable had the day not been a public holiday.

- (b) To leave prescribed by subclause 24.2 (a) there shall be added one working day or one half working day for each public holiday or half public holiday declared in addition to the ten (10) public holidays specifically named in subclause 23(i), or a substitute day declared in lieu of any of them, which may occur during the qualifying period for annual leave or during the period

of annual leave.

- (c) A public holiday occurring on a day that the employee would normally work shall be allowed to employees covered by subclause 24.2(b) on full pay; provided that an employee who is required to and does work on a public holiday shall have one day or one half day, as appropriate, added to their period of annual leave and be paid at the rate of one half time extra for the time actually worked. Such payment is in lieu of any additional rate for shift work or weekend work which would otherwise be payable had the day not been a public holiday. In lieu of adding to annual leave under this paragraph an employee may elect to be paid for the time actually worked at the rate of time and one half in addition to their ordinary weekly rate. Such election shall be made on the commencement of employment and then on the anniversary date each year.

The employee may not alter such election during the year except with the agreement of the employer. Where payment is made in lieu of leave in respect of the time worked on a public holiday payment shall be made for a minimum of four hours work, and any balance of the day or shift not worked shall be paid at ordinary rates.

- (d) Where a public holiday falls on a rostered day off of a shift worker as defined in Clause 5 Definitions, of this Agreement, and who receives four (4) weeks annual leave in accordance with subclause 24.2 (b), such shift worker shall be paid one day's pay in addition to the weekly rate or if the employee so elects shall have one day added to the period of annual leave.
- (e) To the leave prescribed by 24.2(b) there shall be added one working day for each public holiday or one half working day for each half public holiday which occurs on what would have been an ordinary working day during a period of annual leave; provided that in the case of a shift worker referred to in subclause 24.3 (d) the provision of this paragraph shall apply to any public holidays falling during the period of annual leave.

24.4 Taking of Annual Leave

- (a) An employee is entitled to take an amount of annual leave during a particular period if:
 - (i) at least that amount of annual leave is credited to the employee; and
 - (ii) the employer has authorised the employee to take the annual leave during that period.
- (b) An employee will request annual leave, in writing, at least two (2) weeks prior to the

date on which the leave would commence.

- (c) Credit of time towards an allocated day off duty shall not accrue when an employee is absent in accordance with subclause 24.2 of this clause. Employees entitled to allocated days off duty in accordance with Clause 6 Hours of Work and Free Time of Employees, of this Agreement shall accrue credit towards an allocated day off duty in respect of each day those employees are absent on additional annual leave in accordance with subclauses 24.3(b) and subclause 24.3(c) of the Agreement.

24.5 Annual leave shall be taken in an amount and at a time which is approved by the employer subject to the operational requirements of the workplace. The employer shall not unreasonably withhold or revoke such approval.

24.6 Extensive accumulated annual leave:

An employee must take an amount of annual leave during a particular period if:

- (a) the employee is directed to do so by the employer. The employer shall give the employee at least two months notice. Provided that, where an employee makes a written request to take annual leave which has not been approved by the employer, that employee shall not be directed to take annual leave for a period of 12 months after that request;
- (b) at the time that the direction is given, the employee has annual leave credited to him or her of more than 1/13 of the number of ordinary hours worked by the employee for the employer during the period of 104 weeks (2 years) ending at the time that the direction is given. This can also be expressed as 8 weeks for full time staff, pro-rated for part time staff; and
- (c) the amount of annual leave that the employee is directed to take is less than, or equal to, ¼ of the amount of credited annual leave of the employee at the time that the direction is given.
- (d) Notwithstanding 23.6 (c) , the employer may require the employee to take a longer period of annual leave where the employee has accumulated in excess of eight (8) weeks annual leave provided that the requested period of leave to be taken is reasonable.

24.7 Payment for Leave

- (a) Each employee shall be paid for the period of the leave at the ordinary rate of salary to which she or he is entitled under this Agreement. The payment will be made in the normal pay cycle unless the employee elects to be paid before the leave commences. Where an employee has any period of permanent part-time employment during any 12 month qualifying period for

annual leave, payment for such annual leave shall be calculated on the basis of the proportion that the average number of hours worked each week bears to 38 hours.

- (b) An employee to whom subclause 24.2 (a) applies shall be paid during the first twenty eight (28) consecutive days whilst on annual leave her or his ordinary rate of salary plus shift allowances and weekend penalties relating to ordinary time the employee would have worked if they had not been on annual leave.

Additional annual leave accrued under subclause 24.10 attracts shift allowances and weekend penalties relating to ordinary time the employee would have worked if they had not been on annual leave; provided that the provisions of the preceding paragraphs of this subclause shall not apply to public holidays which occur during a period of annual leave or days which have been added to annual leave in accordance with subclause 24.3 (b) and subclause 23 (ii).

24.8 Cashing out of Annual Leave

Annual leave credited to an employee may be cashed out, subject to the following conditions:

- (a) the employee must elect in writing to receive in lieu of an amount of annual leave on each occasion where the annual leave is to be cashed out;
- (b) after the cashing out the employee's remaining accrued entitlement to paid annual leave must be no less than four weeks;
- (c) the employer has agreed to the employee cashing out the annual leave; and
- (d) the employee must be paid at least the full amount that would have been payable to the employee had the leave been taken that was foregone.

- 24.9 Where the employment of an employee is terminated the employee shall be entitled to receive, payment for all accrued annual leave including for any days added to annual leave in accordance with subclause 23.3 of this clause. In calculating such payment no deduction is to be made for accommodation or board.

24.10 Additional Annual Leave or “Counter Leave”

In such a case the employer and employee may agree that the employee shall be paid for that leave at the rate of pay applicable at the time of the agreement to further postpone the leave, and not at the rate of pay applicable at the time that the leave is taken. For any such agreement to be valid, it must be in writing and be signed by both the employer and the employee.
- (iv) Employees with at least five years service are entitled to take, proportionate to their length of service, to a period of long service leave on the basis of two months long service leave for ten years service leave for ten years service on full pay.

- (a) If, before such leave has been entered upon, the employment of such employee has been terminated, such employee shall be entitled to receive the monetary value of the leave to which such employee has become entitled, computed at the rate of salary which such employee had been receiving immediately prior to the termination of employment.

This provision provides that:

"Where a worker dies and any long service leave:

- (a) *to which the worker was entitled has not been taken; or*
