

NSWNMA Bushfire Support

The NSW Nurses and Midwives' Association extends our sympathy and support to those members who lost homes in the recent bushfires.

Members who are suffering financial hardship as a consequence of the fires are invited to contact NSWNMA Membership services to discuss union fee relief.

**Call (02) 8595 1234 (metro) or 1300 367 962 (regional)
or email nswnma_membership@nswnma.asn.au.**

The Association has made a donation to the Red Cross Bushfire Appeal (1800 811 700) and encourages all members to contribute to the recovery efforts, both on behalf of those nursing and midwifery colleagues whose homes were damaged and the wider communities who face a difficult recovery from such devastating fires.
