Fundamentals of HIV and Sexual Health: Expanding the Scope of Primary Health Care Nurses

Supporting the HIV, Viral Hepatitis and Sexual Health Workforce

Date **Module 1: APNA STIs/BBVs online module**
Module 2: Face-to-face session: Saturday, 5 April 2014

Venue **Springwood Country Club, Hawkesbury Road, Springwood NSW 2777**

Time **8.30am – 4.30pm**

ASHM invites Primary Health Care Nurses whose patients have, or are at risk of, blood borne viruses (BBVs) and sexually transmissible infections (STIs) to enrol in this training, which involves a combination of online and face-to-face education.

This activity has been endorsed by APNA, according to approved quality standards. Completion of the program entitles participants to claim 6 CPD hours.

This training session will enable you to increase your scope of practice in HIV and sexual health.

Aligned with the *Sexual Health Nursing Competency Standards for Primary Health Care Nurses* (2013), the course will provide you with the clinical skills, confidence and knowledge to expand your role in caring for the sexual health of your patients and community. In addition, there is a session focusing on methods to advocate for your expanded role within your workplace and resources to assist you to negotiate this process.

The workshop, coordinated by ASHM, has been developed through collaboration between the NSW STI Programs Unit, APNA and ASHHNA. ASHM is an APNA Endorsed Provider Partner, allowing you to claim APNA CPD hours for attending.

This is a free course for NSW nurses. The cost for the course for non-NSW participants is \$250 (ASHM members) or \$280 (non-ASHM members). Priority to attend the course will be given to NSW nurses.

Funded by the NSW Health Ministry.
