

The future of registered nurse staffing in NSW Nursing Homes

BLUE MOUNTAINS COMMUNITY FORUM

Did you know that all nursing homes in NSW must have a registered nurse on duty 24/7.... AND that this requirement is currently at risk? The NSW government will make a decision on this in 2015 and we need to hear from YOU!

Come and join aged care nurses, older people and their family members, community groups and individuals to discuss the vital role of registered nurses in aged care. Have your say about quality of care and who should provide this care to our elderly people.

Local politicians have also been invited to attend and tell us their views on this.

To register your interest or to find out more contact Justine Wilson at NSW Nurses and Midwives' Association at jwilson@nswnma.asn.au or 8595 1268.

Wednesday 25 March
10am – 12noon
Sassafras Room
Springwood Sports Club
83 Macquarie Road,
Springwood NSW 2777

Morning tea provided

Authorised by B. Holmes, General Secretary, NSWNMA
