

VIOLENCE ISSUES

How to fill out an IIMS+

1 Add a new incident

2 **Incident Details:** Who or what; incident date and time; where the incident occurred.

3 **Principal Incident Type:**

Aggression Select which applies.

4 **Other Affected Parties/ Property:**

Patient

If patient is the aggressor

Search for patient in eMR

OR **Relative/Visitor**

If visitor is the aggressor

5 **Initial Assessment/ Impact of Incident:**

Harm or injury

**Request email report
and send it to your branch**

**Reporting is vital.
As well as IIMS, report your
incident with the NSWNMA
via the app or a call**

Download the NSWNMA Toolkit App

It's FREE and available to download
from iTunes and Google Play store

**Login using your email address
and password**

Click on [Violence Report](#)

It's an easy fillable form that you can submit
from your mobile device and an officer
of the Association will be in touch with you or
contact the Association via phone

**TEL: 1300 367 962
