A REWARD SYSTEM FOR MEMBERS

Recruitment Incentive Scheme

WHY DON'T YOU HELP TO BUILD THE NSWNMA AND BECOME A RECRUITER?

Nurses and midwives need the security of belonging to a strong and dynamic organisation – their union – the NSW Nurses and Midwives' Association. A union with around 65,000 members.

Our collective strength is in our numbers – the larger the membership, the louder our voice.

Recruiters are members concerned that there are nurses and midwives working without the protection or advantage that the NSWNMA delivers.

This incentive scheme is designed to reward members who encourage and invite nurses and midwives they work with, or know, to become members of the NSWNMA.

Talk to your colleagues and explain the benefits and importance of belonging to the NSWNMA.

HOW THE SCHEME WORKS

Any financial member of the Association can become a recruiter and earn a \$20 e-gift card for every member they recruit.

Once you have recruited 4 new members you will be entitled to an \$80 e-gift card. For every new member you sign up after that, you will receive a \$20 e-gift card.

Digital gift cards are emailed to recruiters at the end of financial year.

E-gift cards are valid for 3 years. Gift cards are not deemed to be income for the purposes of taxation.

EXTRA BONUS FOR RECRUITERS

Each year at Annual Conference all recruiters who have signed up new members in the year from 1 July – 30 June will be included in the draw. The winner receives a fabulous holiday for two.
