Why

are nurses and midwives TAKING ACTION?

**Nurses and midwives are
overworked and underpaid.**

The NSW public health system remains in a staffing crisis. NSW nurses and midwives are the lowest paid in Australia. Experienced nurses and midwives are leaving due to poor pay and conditions, and the sector is failing to attract the new recruits needed.

Nurses and midwives are burnt out and exhausted. We are asking the NSW government to fix our pay so we can afford to stay in the professions we love.

Nurses and midwives are taking action because the government has yet to act to fix the problem. You can share your thoughts by sending the NSW government a message.
