

HELP US, HELP YOU!

**Nurses and midwives are
overworked and underpaid.
WE NEED YOUR SUPPORT**

The NSW public health system is buckling under pressure. Our nurses and midwives are the lowest paid in Australia, and we're failing to attract the next generation of recruits.

**Scan here to send
your message to the
NSW government**

The state government must fix nurses and midwives' pay to ensure the future of public healthcare in NSW.

Your support is powerful. Help us, help you by sending a strong message to the state government:
nurses and midwives must be valued.
